Zoe is a beautiful, large bay mare who is perfectly marked with tons of potential. Tremendous pedigree on both top and bottom. Sired by World Champion and multiple time All-American Stallion, Deighton Dominator. Dam has been shown successfully in both halter and cart. Excellent hitch potential and would make an exceptional wheel mare. Zoe has a wonderful sweet hock, lots of hair, and big foot. Has been broke to drive both single and double. Has never been bred. Easy to haul and handle with an excellent disposition. We are selling Zoe since we don't have a hitch to use her in or the time to breed her.
